

RECIPROCAL GOLF

Since May 2016 we have been in a reciprocal golf arrangement with Linlithgow, Hayston and Airdrie Golf Clubs. This has been very well received by all members and used on a regular basis and is bookable with immediate effect.

How does it work?

All FULL MEMBERS of Eastwood are entitled to play golf for FREE at the above clubs at a time agreed by calling the Head Professional.

All you have to do is contact the Pro Shop at your preferred course and arrange a date and time for your golf and then turn up and enjoy your game!

The FULL MEMBERS from these clubs, in turn, will be able to come and play at our course.

When Can I Play?

FREE reciprocal golf on Mondays, Thursdays and Sundays (PM)

Can you play more than once?

You can play as many times as you like throughout the year – this is not based on a restricted number of rounds per person.

Can I take friends who aren't members of Eastwood?

Further value is added as you can also invite 3 guests to play along with you for a reduced fee of £15.00 per person.

Another GREAT reason to become a member of Eastwood!
